

# Lego Duplo feladatok

Rakd kimegfelelő színű LEGO elemekből az adott négyzetet a lenti szintelen négyzetrácsokba!

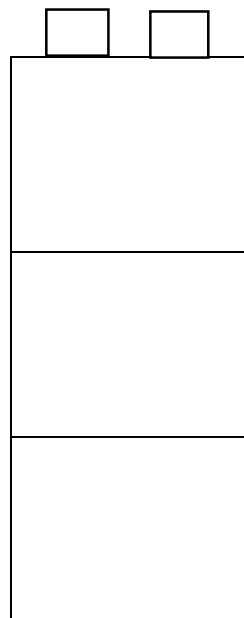

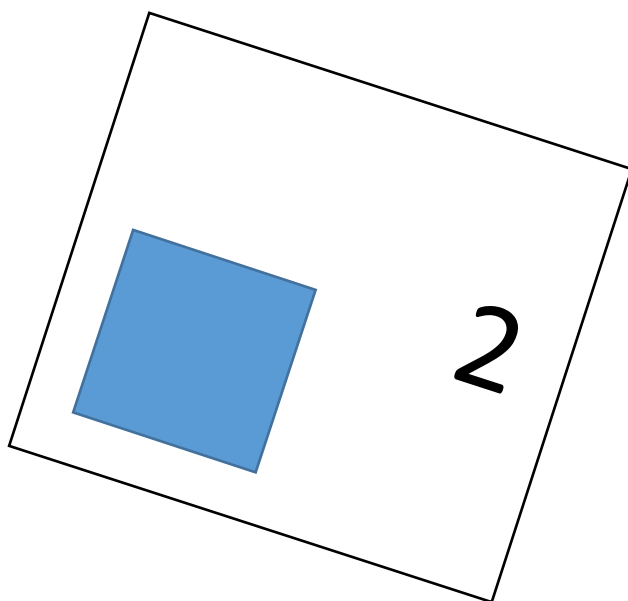

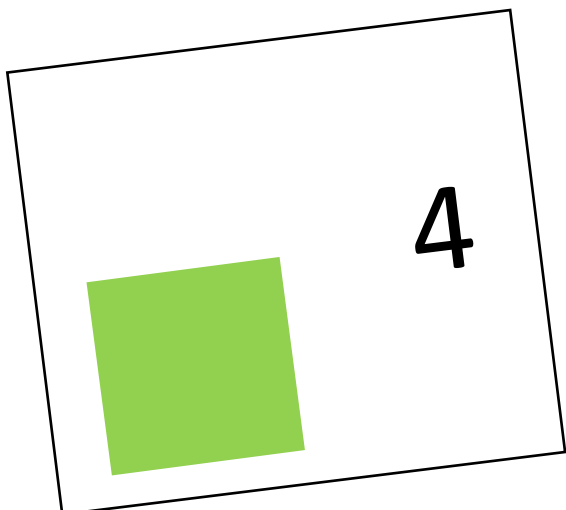

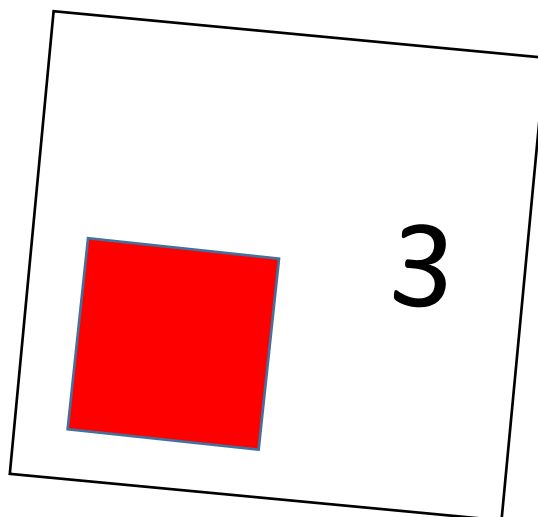

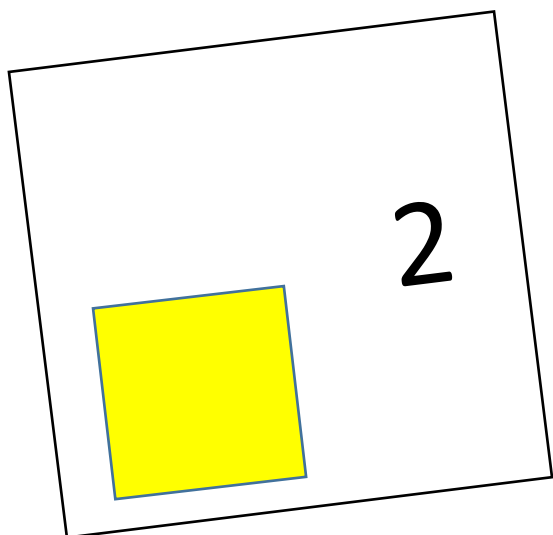

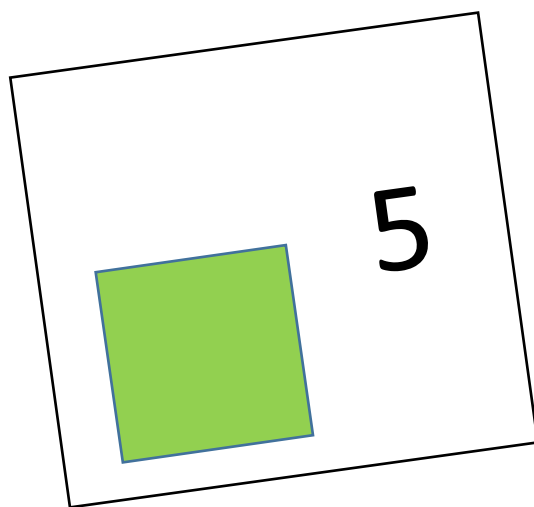

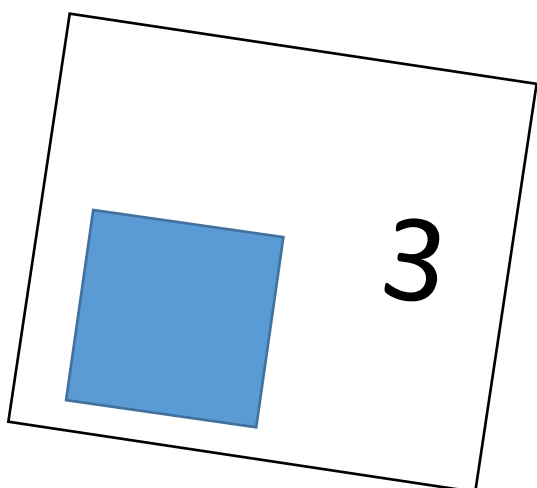

Építs oszlopot a megfelelő színű LEGO elemekből a megadottak szerint!

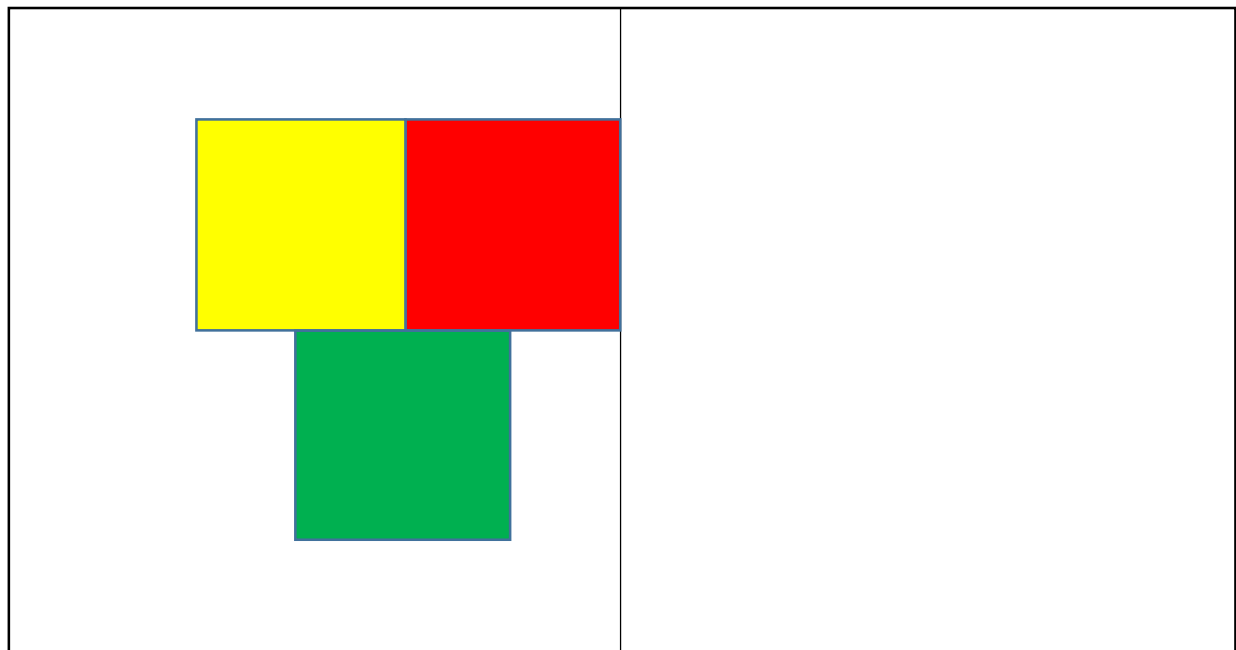

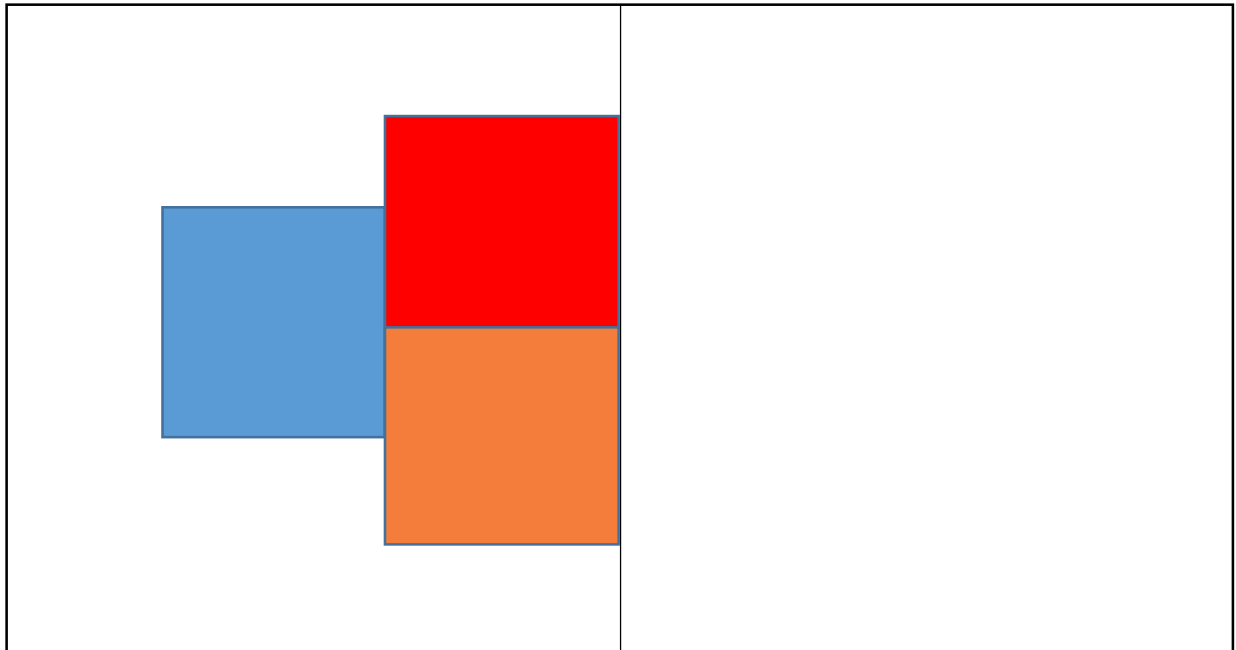

**Színezd kedved szerint az elemeket és rakd ki az oszlopot!**

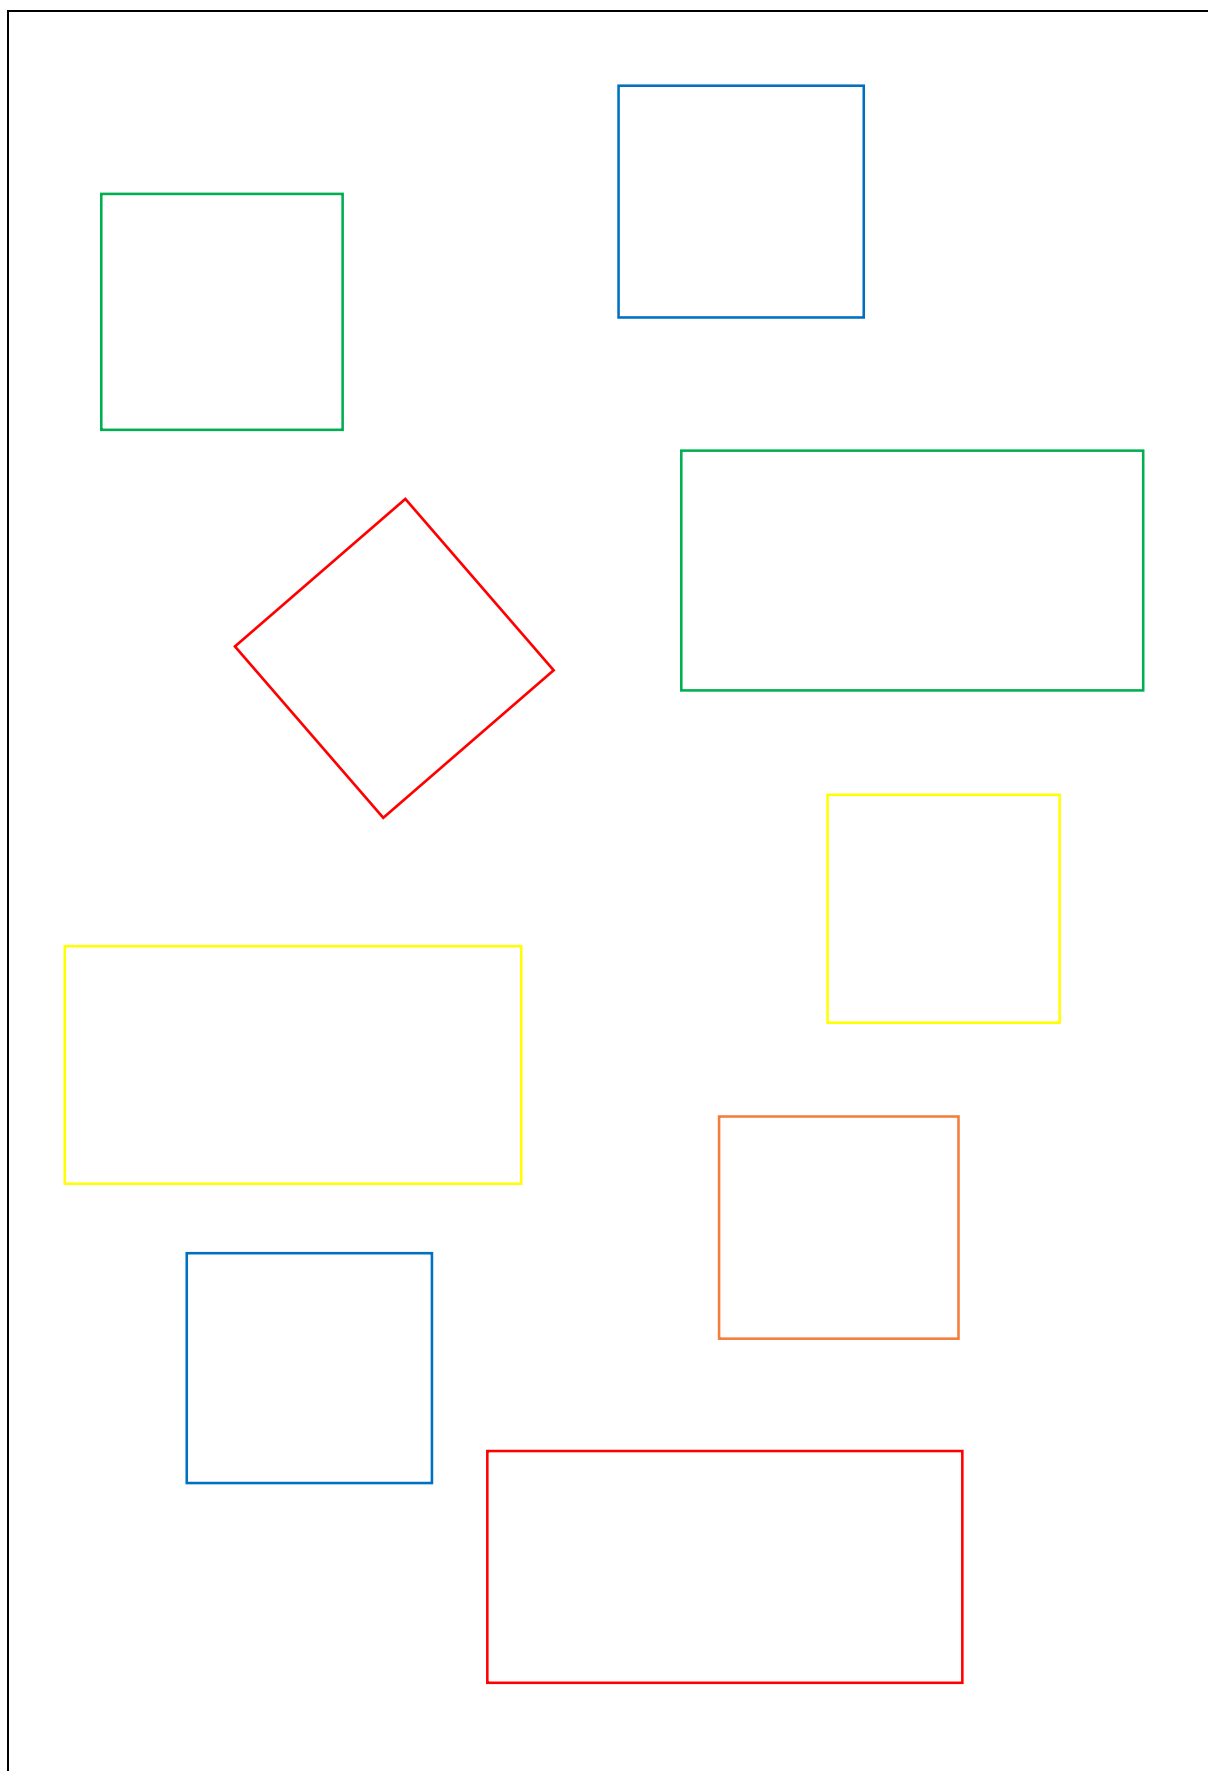

**Az adott színű elemekből építs annyi elemű tornyot, amennyi szám a négyzetben van!**

Építsd meg a tükörképét!

Keresd az elemek helyét!

Köszönöm, hogy letöltötted a Lego Duplo feladatlapok anyagunkat. Jó szórakozást kívánok!

Kövess minket a facebookon és az instagramon is az újabb ötletekért, fejlesztési tippekért!
